EU member states

Core network: inland waterways and ports; railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 3](#)

EU member states

Core network: railways (passengers) and airports; roads, ports, rail-road terminals (RRT) and airports

[8047/12 ADD 4](#)

Denmark, Estonia, Latvia, Lithuania, Finland and Sweden

Comprehensive and core networks: inland waterways and ports; railways, ports and rail-road terminals (RRT); railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 5](#)

Denmark, Estonia, Latvia, Lithuania, Finland and Sweden

Comprehensive network: railways and airports

Core network: railways (passengers) and airports

Comprehensive and core networks: roads, ports, rail-road terminals and airports

[8047/12 ADD 6](#)

Ireland and United Kingdom

Comprehensive and core networks: inland waterways and ports

Comprehensive network: railways, ports and rail-road terminals (RRT)

Core network: railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 7](#)

Ireland and United Kingdom

Comprehensive network: railways and airports

Core network: railways (passengers) and airports

Comprehensive and core networks: roads, ports, rail-road terminals and airports

[8047/12 ADD 8](#)

Belgium, France, Luxembourg and The Netherlands

Comprehensive and core networks: inland waterways and ports

Comprehensive network: railways, ports and rail-road terminals (RRT)

Core network: railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 9](#)

Belgium, France, Luxembourg and The Netherlands

Comprehensive network: railways and airports

Core network: railways (passengers) and airports

Comprehensive and core networks: roads, ports, rail-road terminals and airports

[8047/12 ADD 10](#)

Belgium, Luxembourg and The Netherlands

Comprehensive and core networks: inland waterways and ports

Comprehensive network: railways, ports and rail-road terminals (RRT)

Core network: railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 11](#)

Belgium, Luxembourg and The Netherlands

Comprehensive network: railways and airports

Core network: railways (passengers) and airports

Comprehensive and core networks: roads, ports, rail-road terminals and airports

[8047/12 ADD 12](#)

Germany, Austria and Slovenia

Comprehensive and core networks: inland waterways and ports

Comprehensive network: railways, ports and rail-road terminals (RRT)

Core network: railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 13](#)

Germany, Austria and Slovenia

Comprehensive network: railways and airports

Core network: railways (passengers) and airports

Comprehensive and core networks: roads, ports, rail-road terminals and airports

[8047/12 ADD 14](#)

Czech Republic, Hungary, Poland and Slovakia

Comprehensive and core networks: inland waterways and ports

Comprehensive network: railways, ports and rail-road terminals (RRT)

Core network: railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 15](#)

Czech Republic, Hungary, Poland and Slovakia

Comprehensive network: railways and airports

Core network: railways (passengers) and airports

Comprehensive and core networks: roads, ports, rail-road terminals and airports

[8047/12 ADD 16](#)

Spain and Portugal

Comprehensive and core networks: inland waterways and ports

Comprehensive network: railways, ports and rail-road terminals (RRT)

Core network: railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 17](#)

Spain and Portugal

Comprehensive network: railways and airports

Core network: railways (passengers) and airports

Comprehensive and core networks: roads, ports, rail-road terminals and airports

[8047/12 ADD 18](#)

Italy and Malta

Comprehensive and core networks: inland waterways and ports

Comprehensive network: railways, ports and rail-road terminals (RRT)

Core network: railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 19](#)

Italy and Malta

Comprehensive network: railways and airports

Core network: railways (passengers) and airports

Comprehensive and core networks: roads, ports, rail-road terminals and airports

[8047/12 ADD 20](#)

Bulgaria and Romania

Comprehensive and core networks: inland waterways and ports

Comprehensive network: railways, ports and rail-road terminals (RRT)

Core network: railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 21](#)

Bulgaria and Romania

Comprehensive network: railways and airports

Core network: railways (passengers) and airports

Comprehensive and core networks: roads, ports, rail-road terminals and airports

[8047/12 ADD 22](#)

Greece and Cyprus

Comprehensive and core networks: inland waterways and ports

Comprehensive network: railways, ports and rail-road terminals (RRT)

Core network: railways (freight), ports and rail-road terminals (RRT)

[8047/12 ADD 23](#)

Greece and Cyprus

Comprehensive network: railways and airports

Core network: railways (passengers) and airports

Comprehensive and core networks: roads, ports, rail-road terminals and airports
